Health Plan Selection

Applicants select a health plan or a long term care program contractor and specify the choice on the application or to the Eligibility Specialist during the application process. The applicant can also call the AHCCCS Communication Center to select the health plan or program contractor at **602-417-7100** (Outside Maricopa County **1-800-962-6690**).

- A member can call the health plan with questions about benefits or services or to request interpreter services or an accommodation for a disability.

We can help you if you have any questions about enrolling with an AHCCCS health plan, need an interpreter, or if you are visually or hearing impaired and need special accommodations to choose a health plan or to understand the information. If you are calling from area codes 480, 602 or 623 call **(602) 417-7100** or **TDD (602) 417-4191** or from area codes 520 or 928 call toll free at **1-800-962-6690** or **TDD 1-800-826-5140**.

Enrollment

After approval, members who are enrolled with a health plan or program contractor can expect the following:

Enrollment with a Health Plan:

- An AHCCCS ID Card is issued to a member who has not been eligible within the last 12 months. The health plan's name and telephone number are on the ID card. The appropriate Regional Behavioral Health Authority telephone number is also listed.
- An AHCCCS member may choose a primary care physician (PCP) or the health plan will assign one.
- The health plan sends the member a Member Handbook explaining how to obtain health plan services.

Enrollment with a Program Contractor:

- The program contractor gives the customer written information about their organization.
- The customer chooses the doctor he or she prefers as a primary care physician (PCP) from the program contractor's list of participating physicians. If the customer does not choose a PCP, one is assigned. The primary care physician coordinated care and acts as a gatekeeper. If the customer's current doctor is a member of the program contractor's network, the customer does not need to change doctors.
- A case manager assigned by the program contractor contacts the customer and the customer's representative soon after enrollment to establish a service plan that best meets the customer's needs. Input from the customer and the customer's family is encouraged.
- The customer receives an ID card in the mail that includes the name and phone number of the program contractor. The customer presents this ID card whenever medical services are requested or provided (e.g., doctors offices, hospitals, labs and pharmacies).
- All developmentally disabled ALTCS customers are enrolled with the Division of Developmental Disabilities.

Not all customers are enrolled with an AHCCCS health plan or program contractor. AHCCCS Medical Services are provided on a **Fee For Service** basis when the customer:

- Is eligible for Federal Emergency Services,
- Is QMB Only; AHCCCSA pays all QMB benefits for a customer who receives QMB, and is not approved for either the AHCCCS Medical Services Package or the Long Term Care Service Package,
- Enrolls with American Indian Health Program; or
- Has less than 30 days of prospective eligibility.
